Fuel – Effect
Att: Mr Andre Steyn.

January 30, 2004

Subject – Use of Fuel – Effect in Isuzu N&F Series Trucks.

This serves to advise that Delta Motor Corporation powertrain warranty on the subject trucks will not be affected should the operator elect to use the Fuel- Effect additive as a means towards improving diesel combustion providing used in accordance with the manufacturers instructions.

Yours faithfully,

J.C. Wiseman
Manager Technical Support
